

**EXPERIENCE
THE FUTURE OF GOLF**

SYSTEM - Features

Global Play Golf announces the worldwide release of HiSpeed Golf. This offers the most advanced golf analysis technology in the world. Realistic graphics and advanced synthetic striking surface make HiSpeed Golf the most comprehensive golf and gaming facility ever developed!

Course Play (users can play 9 holes in 20 minutes with a real club and ball)

Challenges (Prizes worth up to £150 to be won by posting scores on the leaderboard)

Driving Range (virtual driving range with analysis of their shots)

Brings together the virtual and physical world of golf and competing against other golfers around the country/world

With a variety of skill levels, Challenges and practice options, the system will keep you motivated and your golf progressing week after week.

MEMBERSHIP

Joining is free. Initiate your card with £5.00 and a few personal details, which will gain you a membership card that will be your personal ID and payment method. This will enable you to play at any time and enter the competitions and Prize Fund Challenges that are being held nationally.

ROUND OF GOLF

Round of Golf - Why not play 9 holes of the most exciting golf in just 20 minutes or a full 18 in less than 40 minutes? Take a helicopter view of each target hole before taking a shot. The player plays a normal round of golf until they reach the green. Depending on the quality and accuracy of the player's shot, on landing on the putting surface the software calculates the outcome and awards the appropriate number of strokes. Users have the ability to select the front or back nine or a full 18 holes.

DRIVING RANGE

Driving Range - The driving range is a practice facility with targets ranging from 50 yards to 225 yards and runs out to over 400 yards. The analysis mode to measure accuracy is an on-demand button that can be left on during all modes of play, whether Course Play, Challenges or Driving range. A fully integrated wind input function as well as multi-ball tracking options are also available.

CHALLENGES

Challenges – Players of all ages can compete in a wide range of Challenges, with eligible players participating in Prize Fund Golf Tournaments, with scores posted onto leader boards and winners collecting substantial prizes. Challenges can be local, regional, national or international. Players can pit their skills against each other in longest drive and nearest the pin competitions.
